## AETHEL FLEAED (or AETHEL FLEDA)

daughter of King Alfred the Great of  
Wessex and wife of Ethelred, ealdorman  
of Mercia. After her husband's death  
in 911, she reigned alone and was  
known as the lady of the Mercians.  
Her energetic prosecution of resistance  
against the Danes and her wise  
government won her the epithet  
as one of the most remarkable women

in English history

## Treaty of St. Clair - sur - Epte

The Norsemen were permitted to retain that part of the northern Frankish coast which lay between Brittany and the two Countries, with the hinterland, including Rovin, which became their capital.

In return Rollo embraced Christianity and became a vassal to King Charles for what came to be known as the

Duchy of Normandy

In France the West Frankish king  
conferred the lands at the mouth  
of the Seine (the later duchy of  
NORMANDY) on the Danish leader  
Rollo.
